Experience

PARC 8/2014 - Current
Parc is a small women's retail store located in Northeast Minneapolis and Edina. My role was as a sales representative as well as a photographer for our Instagram account, which has over 20,000 followers. I also work on our visual merchandising team as well as creating new floor sets.

LIBRARY BAR & RESTAURANT 5/2015 – 8/2015
Held a serving position and assisted in customer service at a popular restaurant on the University of Minnesota's campus.

CLARE V. 2012 – 2014
Worked as an intern at Clare V. for two summers, three months at a time. Stocked and kept track of current and past inventory and had a strong knowledge of the product and what was in demand. I developed strong relationships with the staff, which led me to learn more about the fashion industry as a whole.

URBAN OUTFITTERS 9/2013 – 5/2014
Held a sales representative position in the Uptown Minneapolis location. Assisted managers and team leads on the floor and in the stock room. Kept up with current fashion and music trends that the company was linked to in order to directly help our customer base.
